v.

Wayne Earl Jenkins

Case No. CCB-1-17-CR-0-106-00

3 CCB-1-17-CR-00

— Notice / Statement —  
of Christopher Vigil-10603-091.

I Christopher Vigil would volunteer to testify under oath about Wayne Jenkins character, and the events of February 20, 2020, where Mr. Jenkins took life saving measures to save my life by performing CPR, I can also produce documentary evidence "medical-records", also C.O. Parker at F.C.I Edgefield has informed me he would also testify if called as he has watched, saved and preserved video footage of this event. C.O. Parker would also be willing to testify to the character of Mr. Jenkins as he personally has got to know Mr. Jenkins over time.

Many inmates talk about women, drugs, and money. Not Mr. Jenkins he speaks of faith, Rehabilitation efforts, and family his wife Kristy,

and there son's. I hope this gives brief insight to Wayne Jenkins Character. And I hope this Court would call me to testify if needed to the events of February 20, 2020 in Question, or as to the Character of Mr. Wayne Jenkins.

Respectfully Submitted,  
Chris Hight 11-6-20
